

REMARKS

Applicants have resubmitted a Sequence Listing in compliance with the requirement of 37 CFR §§ 1.821 – 1.825.

Applicants have also amended the specification to specifically refer to the polynucleotide sequences by their respective SEQ ID NOs.

Applicants have adopted the Examiner's suggestion to insert the original Table 2 as substitute Table 2 (48 pages) with page numbers **138-185**, just before the original claim pages. As a consequence, the original claim pages and Abstract page are renumbered. Applicants submit that there is no new matter since the original Table 2 is filed as part of the specification.

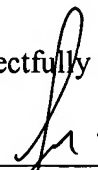

Applicants filed Change of Attorney Docket Number on February 26, 2004, to request the previous docket number be changed to **DFMP-P01-018**. However, it appears that the attorney docket number has not yet been changed as requested. Correction is respectfully requested.

The Commissioner is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. **18-1945**, under Order No. **DFMP-P02-018**. Please direct any questions arising from this submission to the undersigned at (617) 951-7268.
